Shorthorns Provide Security

You Can Fortify Your Position with Purchases in This Sale

● 87 head of the finest cattle from 24 of the strongest herds in Kansas have been assembled to make this the best Short-horn offering in Kansas State Sale history.

In many instances the sale committee selected young cattle that had been definitely marked for the breeding herd. Unfortunately a photographer was not available so that individual pictures could be taken and the true value of this offering more fully illustrated. Study the pedigrees contained herein carefully and plan to buy from this offering of popular and up-to-date bloodlines.

Travel and shipping facilities to and from Hutchinson from any point in the country can be easily arranged, and loading and shipping services will be provided.

We shall look forward to seeing you in Hutchinson on November 19.

Lot F. Taylor, Sales Manager.
